Serious Auto Accident On River Road Last Evening

Another very serious automobile collission took place on the Riverside road last evening about 5 o'clock and several persons were more or less injured, one probably fatally.

The cars that collided belonged to Isaac Peters and Fred Brewer. Brewer resides at Wick Haven and was operating a Ford Jitney between Monessen and Donora and had several passengers in his car when it was thrown over a twenty foot embankment.

According to the story, Jones attempted to pass Brewer and the rear wheel of his car caught the Brewer car, knocking it over the embankment and spilling the occupants under with the exceptions of the driver. It was with terrible effort that Mrs. William Johns was extricated. She was pinioned under the car and it took several men to raise the car from her body. She was taken to the office of Dr. Cramer where medical attention was given. She was later removed to her home near Linn's Grove.

Nick Paupakis was also a passenger and was badly cut about the arm. He was removed to the doctor's office and several stitches were required to close the wound. Scott Knapp of Grove City, was the other passenger injured. He was taken to the office of Dr. Traugh in Donora. He is suffering from a severed artery in his leg.

The Ford car was badly wrecked.

Jones was driving a Buick and his car escaped without a scratch.

William Jones, the driver of the Buick car, and Isaac Peters,the owner will be arrested and will be given a hearing this afternoon in Squire Watkin's court on a charge of reckless driving.

Officers Arrested Gamblers

John Hagerson of 142 Schoonmaker avenue, was the first prisoner to face the burgess this morning. He was charged with abusing his wife and several witnesses were on hand to prove him guilty. At the hearing Mrs. Hagerson testified that her husband never supports her, and she is compelled to work to keep herself and two children. And that last night he came home drunk and started to abuse her. She called for help and the police were summoned by neighbors. This morning the burgess fined him $10.00 and costs or $12.00 or thirty days to jail. He paid his fine.

The police surprised six men having a friendly game of poker in back of the pool room of Jim Gialas at 843 Schoonmaker avenue at 3 o'clock this morning. The raid was made by Officers Rautio and Stull. Of the six men arrested, only three appeared for a hearing. They were Jim Gialas, the proprietor who was in the game, George Coras and George Pises. The other three, Nick Maronas, Steve Marillos and Nick Koras who placed a forfeit of $10.00 for their appearance this morning, forfeited the money on account of not complying with the rules of the court and being in court this morning. Jim Gialas was fined $25.00 and costs or $27.00 which he paid, while George Coras and George Pises paid a fine of $10.00 and costs or $12.00 a piece.

Prisoner Sentenced Yesterday

Andrew Hayman, a negro aged 25 years was sentenced to serve seven months in the Allegheny county workhouse by Judge T. W. Baldridge of Blair county Tuesday morning following a verdict returned against him on an assault and battery charge. Hayman has been a resident of the county jail for the past three months on serving a sentence imposed upon him by the local court,

Hayman it was charged, had cut a deep gash in the cheek of Charles Douglas, a negro, following a dispute over a poker game. Douglas is in jail awaiting trial at this term of court on the charge of murdering Joseph Smith of Monessen June 23. Hayman used an iron spoon that he had sharpened.

It developed in the trial that the negroes in the jail had kind of a feud between the two gangs and that they were continually fighting. Several weeks ago following a poker game in which Douglass had lost all his money, Douglas claimed the other parties to the game "crooked" him. A fight started and four of Hayman's pals teamed Douglas and he got the worst of it. Two deep scars still remain on the negro's face. Douglass in regard to the Smith case is still professing his innocence, saying that he knows absolutely nothing about it. The district attorney has a strong chain of circumstantial evidence by which they will attempt to convict the negro.

Large Crowd In Attendance At Elks' Annual Corn Roast

The Elks' corn roast was held at Allen's grove near Belle Vernon yesterday and proved the most successful affair ever attempted by the local lodge. Hundreds of the antlered tribe with their friends and numerous politicians gathered at the grove to enjoy the day's program, which included an extraordinary fine list of fine sports and a big feast of roasting ears right off the farm

Trucks were run from 9 o'clock in the morning until late in the afternoon, conveying the guests to the grove, while many autos met all street cars at the end of the line in Pricedale, taking all people directly to the grove. Three large crates of live pigeons were secured for the occasion and in the morning a number of crack shots tried their luck at the live bird shoot. A band from Scottdale came over in automobiles and furnished music for the day.

In the afternoon the main feature was the boxing bouts. In the main bout, Battling Shultz of this city made quick work of Eddie Miller, a Pittsburgh boy, who after taking a severe beating in the first two rounds, claimed a broken hand and refused to come out for the third round. Eddie Neville, the Donora fighter and Bull Miller put up the best exhibition of the day and fought a good six round draw. Mutt Jones of this city, pitted against Young Quinn, a Baltimore champion, had an easy time with the Maryland wonder and knocked him out in the third round. The Reeder brothers gave a fine six round exhibition. In the evening the battle royal between five negroes was the big feature and the colored fighters furnished real sport for a time. There was plenty of eats, including corn, chicken and other delicacies of the season, and the affair was one of the most successful ever held in this section.

Entertained Club

The Darnella club was most pleasantly entertained last evening at the home of Miss Jessie Bunting in Roscoe. Twelve young ladies were present, going from Monessen by way of street car. A nice program had been arranged by the hostess and a delightful lunch was served. The only incident that marred the complete harmony of the evening was a mistake in the schedule to get home. They planned to leave Roscoe on the 10 o'clock car but only got sight of the car as it was leaving the station. They were required to spend a social hour until the next car arrived, but everybody landed home safely even if a little late.

Division by Force of Law

The standpat world will work up a good deal or horror over the industrial relations commission recommendation that congress provide that it shall be unlawful for more than $1,000,000 to be inherited from the estate of an American and that all property in excess of that amount shall go to the federal government. It is a suggestion of economic atavism, as it were. In the early days of man, the fellow lucky enough to kill a mammoth, or whatever was "big beef" in those times, was probably permitted to fill himself to his limit, but he surely was not permitted to say that nobody else should eat. Early man, however low browed he may have been, was surely strong for the community interest, else he would not have survived and progressed.

What sense in decrying this Walsh report as atavism, socialism, barbarism? Oppression, injustice, domination by greed are natural steps backward toward the original type of man and of conditions. Enlightenment failing to produce genuine progress the return to force is inevitable.

Strike riots and other bloody "industrial disturbances" are attempts at division by brute force. Walsh's proposition is an attempt at division by force of law. Cave-man Rockefeller has got more "mammoth" than he can possibly use. Why should the rest of the world go hungry? This is the matter as condensed to its crux. It is Rockefeller's fault if due consideration is not given as to how he got it or what part the human family played in letting him get it. Starving people are swayed by hunger, not by logic. The answer to equity playing favorites is the masses demanding cold blooded diversion in proportion to the number of empty stomachs and freezing bodies.

Your income tax is, in many instances, merely a fine imposed upon legitimate success and, in all instances, the inheritance tax is compulsion of the dead—to divide. Arbitrary division. If you say this is atavism, return to barbarism, put your finger on those who have driven men, in their hunger and nakedness, to the courses of barbarism.

Use Your Brains

Few men really think, although each would deny the accusation. Although man is supposed to be a rational thinking animal, thinking is actually the hardest work and the rarest he does. We hear a thing, ordinarily, and immediately form an opinion about it. Usually, self interest is at the bottom of our conclusions. We are told for instance, that woman suffrage is a good thing and we ought to have a law allowing women to vote. Do we look into the matter? Do we study the arguments for and against woman's suffrage? It is the same with the tariff, prohibition, the unions, the Mexican situation, the European war, in fact everything we have had anything to do with. How much more rational it would be to hold up our judgment on a question until we have had an opportunity to study it from every angle. Then form an opinion and stand or fall by that opinion, until we learn something of which we have been in ignorance that might change our minds on the subject. Not to be open to conviction is pig headed. Narrowness is the bane of our whole system of civilization. Let your mind be open to every argument and think—think for yourself.

Unique Test

To prove the fallacy of the claim that woman's place is in the home, and to emphasize women's importance in the every day life of the modern city and town, the suffragists of New York have planned a unique test. It is a huge satire on "woman in the home" and if carried out will place the women of New York in their homes for one day. On the appointed day, all New York women and girls would stay in the home. It would be virtually a strike of working women to demonstrate for the first time in history their sphere of influence and usefulness in every phase of every day life. While the plan is seriously considered by advocates of the suffragist cause, and it has gone so far as to set the day at the latter end of September, it is not believed that sufficient unity of action could be secured under the present organization of women. To be effective, the "strike" must be complete.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

FREE OF CHARGE

This treatment begins at 9 o'clock a. m. and will continue all day

THURSDAY, SEPT. 2, 1915.

closing at 8 p. m. at his office in Monessen at 508 Donner avenue, over Cowan's shoe store, next door to the Monessen Savings & Trust Co., and will be given to all who want to begin the use of his special remedies. Dr. Sweaney's favorite remedies are the net result of his own 30 years experience. They are prepared in his own labratory at 12 Smithfield street, Pittsburgh, Pa., and are not for sale anywhere else and it is the first time that his special remedies have been offered for sale to the public.

His remedies are made up into combined treatments of 2 or more different preparations to meet the different requirements of different cases. Scores of sufferers can and will take advantage of this opportunity to consult this able specialist and to begin the use of his favorite remedies which have brought sunshine and happiness to scores of homes. There are thousands of his happy thankful patients who speak words of highest praise for his skill and remedies. A few expressions from thousands of letters he has, are given here.

2022. Will state for your information that your treatment has done me wonderful good. I am feeling better than I have for several years.

2006. Well, as to my condition, will say that I am simply delighted. Your remedies are certainly wonderful and will get a living endorsement from me.

2010. Dear Doctor—I shall ever be grateful to you, Doctor, for what you have done to give me relief. Respectfully yours,

2007. Dear Sir—I desire to express my gratitude for what you have done for me. After having spent lots of money in vain, treating with some of the best doctors in the land, I am happy to be able to say that your treatment has had a wonderful effect in my case. I have suffered for years with Uterine prolapsis, and meeting disappointment with every doctor I consulted, I pretty nearly gave the case up as hopeless. It is happiness to know that it is all over and the misery is a thing of the past I sincerly hope that others who are afflicted as I was may be likewise benefitted by your perfect system of treatment. Very respectfully yours.

2008. Dear Sir—I am on the mend more than I ever thought I could mend in such a short time. Your last medicine has improved me greatly.

2016. Dear Sir—It is with pleasure that I write you for I feel a decided improvement.

2017. Dear Sir—My medicine arrived Wednesday morning. I have taken it according to directions and find that my condition is improving wonderfully.

2056. Dear sir—Your letter just received, and I wish to say that I do not think it necessary for me to continue taking medicine, as I am and have been for several months feeling perfectly well in every respect. I will say I owe my health to your medicine, and no words can express my gratitude in regaining my health, and I do not feel like it will be necessary to take any more medicine, feeling like I do. I have been married two months and never was in more perfect health. I have told a number of friends who were suffering as I was, of your wonderful help to me, and advised them to write you.

2053. Dear sir—I take the pleasure of dropping you a few lines in order to let you hear from me. I cannot thank you enough for what you have done for me. You have done what many other Doctors have failed to do. You have made a new woman of me.

2012. I have taken three months' treatment from you and it has done me more good than all the medicine I ever took in my life. I consider that you not only saved my life, but was the means of saving my soul, for I was on the verge of despair and contemplated suicide. Everytime I see your picture, I say dear, good Doctor Sweaney for you have helped me so much. Yours respectfully,

2023. My medicine is about out. Send me another supply. Doctor, I have doctored with you since August 10, and you are the only doctor I have found to do me any good Yours in confidence,

2028. Dear sir and friend —I guess I am the happiest man on earth today. I was so glad I concluded to pay the bill. Was this what you expected? I will continue to follow your directions. I tell you, Doctor, this is almost a miracle. Many thanks to you and more to the good Lord for such a man that can relieve such troubles. God bless you in your great work. Ever your friend.

2048. Dear sir—I received yours of the 14th, and in reply beg to say I should have written to you in regard to my case long before this, but somehow neglected to do so. I have been permanently cured, and am not bothered in the least. I sincerely thank you for what you have done for me and cannot too highly recommend you, for you are all right; and I do not regret what I have spent with you and must say it was worth many times what my output was.

2042. Dear Sir—I received your medicine. Have improved more than I ever did in fifteen years for the same length of time. My wife and neighbors are all proud of my improvement.

2051. Dear sir—Your letter at hand. Duly received package Well, I tell you that your treatment is one I will never forget. I just bubbled with joy. I wanted to hug everybody and tell them that my old self had died and my new self was born today. You never had such a happy, thankful patient. Why did you not tell me when I first wrote that I would find it this way? Yours truly

There are scores of them, long ones, short ones, from men and women, all telling the same old story.

Wonderful statements from people in all walks of life, telling of the miraculous results they have obtained from Dr. Sweaney's treatment and Dr. Sweaney will forfeit $10,000.00 if anyone of these statements are not true and from bonafide patients.

TOLD IN MONESSEN

A Resident Known to all our Readers Relates an Experience

Readers of the Independent have been told again and again of the merits of that reliable, time-proven kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Monessen cases, told by Monessen people.

Mrs. R. Gilmore, 102½ First street, Monessen, says: "I suffered for years from a lame back and often when I stooped, the misery was so intense that I cried aloud. If I moved suddenly, it seemed as if something snapped in my back. When I exerted myself in sweeping or doing housework, the pain was unbearable. I felt tired and listless all the time and my head ached My eyes were affected and I was all worn out. I consulted several doctors, but none of them seemed to do me any good, and finally I began taking Doan's Kidney Pills. A few boxes made me quite well. Others of the family used Doan's Kidney Pills as a kidney tonic and think highly of them."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gilmore had. Foster-Milburn Co., Buffalo, N. Y.

OLEO MOONSHINE PLANT TO GET TAXES

Providence, R. I., Aug. 31—The oleomargarine plant of the Naragansett Dairy company was sold at public auction yesterday by the United States government, to recover taxes which the Collector of Internal Revenue alleges to be due and unpaid The plant wase recently seized by the government.

The Narragansett concern is one of three which figured in the Federal raid in this city a year ago. Together with other firms in Ohio and Missouri, it was claimed that the oleomargarine makers had evaded a total of $27,000,000 in local revenue taxes. James S. Orr and Clarence H. Orr, officials of the local concern, were indicted by a Federal jury a year ago on charges of conspiracy, and defrauding the government out of $300,000. The fraud charge was later thrown out of court, but the conspiracy charge was retained Last May another grand jury returned a new indictment charging Orr with defrauding. The cases, it is expected, will come up for trial early this fall

The sale of the oleo plant is the second sale of this kind by the government in Rhode Island. Not long ago the plant of the New England Manufacturing company was sold and was bid in for the former owners

The auctioning of the oleo plant is another step in the government's proceedings against the so-called "oleo-moonshiners" A sweeping investigation by the Internal Revenue department uncoverd the alleged frauds extending back for thirteen years. Already a million dollars have been recovered by the government, and many indictments have been returned. Last month the officials of the Capital City Dairy Co of Columbus, O. were convicted of fraud. Some thirty heads of oleo companies have been given jail sentences.

The government's claim is that more than 100,000 tons of oleomargarine have been manufactured, and fraudulently sold as uncolored oleomargarine. That much of this product was sold to consumers as butter is the belief of the governmnt investigators . The evidence against the oleo men was difficult to secure, but by tracing the coloring matter, the ruses were revealed and the defrauders were convicted.

The government's loss in revenue consists of the difference in the taxes. The manufacturers paid only one quarter of a cent per pound tax, when they should have paid ten cents per pound. To save this big margin for their personal profit, many unique methods were used. Certain families have become millionaires in the oleo business.

BARNUM & BAILEY'S SHOWS AT CHARLEROI

Final arrangements for the appearance of the Barnum and Bailey "Greatest Show on Earth" in Charleroi on Wednesday, Sept. 22 have been completed and the great advertising campaign, in which more than 150 men will take part, was started today with the arrival in town of the number one advertising car. There were fifty men on board this car and they are today covering every available space in the city and surrounding country with flaring posters depicting the many wonders of this, the biggest circus in the world There will be three more advertising cars and several special brigades come here at short intervals and the big event will be billed in such a manner as to assure a big holiday crowd.

"A circus of all nations" is the announcement of the Barnum and Bailey management for this year and by this, they mean that the 480 artists who take part in the big program are representative performers from every nation in the world. Every part of the civilized world is represented even to a complete Chinese corcus, brought here from Pekin, China. It is claimed that the circus performance is entirely new and that not an old feature of former years has been retained. Many trained animals, foreign novelties, shown for the first time in America, are included in the display and among these are Mlle Adgie's ten tango dancing lions, Madam Bradna's flying horses, the marvelous "war elephants," Pallenberg's wonderful bicycle riding and roller skating bears and the Barnum and Bailey seven groups of beautiful, white posing horses. A magnificient prelude to the circus is the presentation of the gorgeous spectacular pageant, Lalla Rookh, in which more than 1,250 people take part. The big show is given in three rings, on four stages, the hippodrome and in the dome of the largest tent ever made. It requires 85 double length railroad cars to transport the great equipment.

In the menagerie are 40 elephants and 110 cages of rare wild beasts and most of these are shown in open dens in the big street parade given on the morning of circus day.

MRS. WILLIAMS' LONG SICKNESS

Yields To Lydia E. Pinkham's Vegetable Compound.

Elkhart, Ind.:—"I suffered for fourteen years from organic inflammation, female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such awful bearing down feelings, was depressed in spirits and became thin and pale with dull, heavy eyes. I had six doctors from whom I received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and also the Sanative Wash. I have now used the remedies for four months and cannot express my thanks for what they have done for me.

"If these lines will be of any benefit you have my permission to publish them."—Mrs. SADIE WILLIAMS, 455 James Street, Elkhart, Indiana.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

A Little Talk on the Judgeship

The vote a man casts for judge is the most important preference he voices in politics. So much depends upon the single decision of a judge, that the voter should study carefully the qualifications of the various candidates for that office. Legislatures may make laws; but it is the judges who in reality enforce them. THE JUDGE HAS THE FINAL SAY.

THESE ARE THE QUALIFICATIONS A JUDGE SHOULD HAVE.

A judge ought to have a great deal of experience as a lawyer, not merely with one class, but with all classes and conditions of people.

Although he should be experienced in the law, he must not be too old to give the people all his time for the term he is elected to fill.

A judge should be pledged to no individual, class or cause, but only to all the people. BEWARE OF THE MAN who tells you WHAT HE WILL DO when he gets on the bench, aside from saying "I WILL BE JUST."

The judge can't shut his eyes and give decisions—he must be LOOKING SQUARELY at his People ALL THE TIME. He must know the people, know them when he sees them, must know their wants.

The man who only knows you when he is running for office, doesn't really know you; he is only trying to use you to get into office.

The judge ought to be fairly balanced. He oughtn't to lean towards PROPERTY any more than he does to one's PERSONAL RIGHTS—for some people have property, and others have only their personal rights.

The judge should hold justice the aim of his career—not protection to some one or something; not the making of money, but JUSTICE.

THESE ARE THE QUALIFICATIONS CURTIS H. GREGG DOES HAVE.

Mr. Gregg has had a general practice and has tried an immense number of cases. During the coal strike in 1910 he tried over 1,000 as counsel for the Miners.

He has been 27 years an attorney-at-law, and yet is just turning fifty. He can give the county 10 good years of service.

Mr. Gregg caters to no man, class or cause. He expects every man to stand in his own shoes, to be judged by his merits, and GET JUSTICE AND A SQUARE DEAL FROM HIM. He is pledged to ALL the people.

Mr. Gregg will hear both sides to every cause. He knows the people, many thousands of Westmoreland County people by their first names—AND THEY KNOW THAT HE KNOWS THEM.

Mr. Gregg knows his people in fair weather and in foul. Rich and poor are alike to him. He knows them all—all the time.

Whether a man has property or not makes no difference to Mr. Gregg. A man of property will have the same standing as any other individual whether he has property or whether he has nothing at all.

When poor people have come to him with their troubles he always takes their cases—not for money but to get them JUSTICE.

Take these qualifications. Study them. See if you don't think Curtis H. Gregg is qualified for the position He is amiable, sympathetic and doesn't nurse any grouch. He understands the needs and wants of those living today. He can look at everybody and smile, because that is his natural disposition.

You may think this doesn't mean something--but it does. It is one of the PERSONAL HABITS OF A MAN THAT PROMPTS JUSTICE IN HIM. IT FORCES JUSTICE TO THE SURFACE. IT IS ALMOST A GUARANTY FOR AN EVEN BALANCE ON THE BENCH.

Study Mr. Gregg's Experience, the way he knows people and conditions and law, and you will vote for him for Judge and get justice
